

World Trout Initiative - Golden Trout T-Shirt

\$25.00 - Style No. 59591

The Golden Trout Project focuses on enhancing California's diminishing stock of these wonderful fish.

Description:

Angler/artist James Prosek painted the golden. **Five dollars from the purchase of this T-shirt goes to help the World Trout Initiative's educational efforts to preserve the planet's remaining trout and salmon species, specifically the Golden Trout Project's efforts to enhance California's diminishing population of this wonderful fish.** Made from 97% ring spun organic cotton, with 3% spandex at the neck for shape retention. Two colors are available; Vine and White. Imported.

The California Golden Trout Restoration Project

An important partnership to help protect and restore the California Golden Trout
